

School Organizational Team Meeting

February 19, 2019

2:30 – Mrs. Ingham – Welcomes team and reviews norms and purpose of the team

2:35 – Budget, Title I, Budget and SB 178

- Ms. Brookins explains that the revised budget would not allow for an extra teaching unit in grades 4 and 5
- She explains that due to the Star Ranking, the school must allocate teaching positions in grades 2 and 3
- Ms. Brookins also explains that the school will use partial Title I money and SB 178 money to fund teaching positions in grades 4 and 5 thus allowing for three teachers in grade 4, instead of two, and three teachers in grade 5, also instead of two
- Ms. Brookins also stated the budget will fund a CTT for four days a week
- Team discusses budget and approves tentative budget

2:50 – Student Performance Plan

- Ms. Brookins reviews and highlights SPP plan with team and details the focus for next year
- The focus will be math next year because of low math test scores
- The school will be purchasing Fast Math, a program to build math facts and essential math skills
- She also discusses with the team that she had a math audit done at the school which has led to professional development for teachers in the coming weeks
- Ms. Brookins is also tentatively looking to implement in-class support through an outside math organization
- Looking to spend 10,000 dollars to assist in this goal
- Team discusses various aspects of plan and then votes to approve the SPP plan

3:10 – Meeting Adjourned
